# Terraform Variables and Modules

Nicholas Colyer
SOLUTIONS PRINCIPAL

@vnickc   www.2ninjas1blog.com / www.thinkahead.com

Summary

Explain the different ways to store variables

Explain how you can utilize modules in Terraform

Demo

Using Variables

Modules

| Store reusable code | Defined just like any other TF file | Include using "module" statement |

Demo

Using Modules

Summary

Learned how to use Variables to store usernames and passwords

Learned how to organize your modules
